Base flood - a flood which has a one percent chance of being equaled or exceeded in any given year (also called the "100-year flood" or one-percent (1%) annual chance flood).

Base flood elevation (BFE) - the elevation shown on the Flood Insurance Rate Map (FIRM) for Zones AE, AH, A1-30 that indicates the water surface elevation resulting from a flood that has a 1-percent or greater chance of being equaled or exceeded in any given year.

Existing manufactured home park or subdivision - a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed before the effective date of the floodplain management regulations adopted by a community.

Flood Insurance Rate Map (FIRM) - the official map on which the Federal Emergency Management Agency has delineated both the areas of special flood hazards and the risk premium zones applicable to the community.

Flood Insurance Study (FIS) - the official report provided by the Federal Emergency Management Agency that includes flood profiles, the Flood Insurance Rate Map, the Flood Boundary and Floodway Map, and the water surface elevation of the base flood.

New manufactured home park or subdivision – a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed on or after the effective date of floodplain management regulations adopted by a community.

Special flood hazard area (SFHA) - means an area in the floodplain subject to a 1 percent or greater chance of flooding in any given year. It is shown on the FIRM as Zone A, AO, A1-A30, AE, A99, or, AH.

Start of construction - includes substantial improvement and other proposed new development and means the date the Permit was issued, provided the actual start of construction, repair, reconstruction, rehabilitation, addition, placement, or other improvement was within 180 days from the date of the permit and shall be completed within twelve (12) months after the date of issuance of the permit unless a time extension is granted, in writing, by the Floodplain Administrator. The actual start means either the first placement of permanent construction of a structure on a site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of a manufacture home on a foundation. Permanent construction does not include land preparation, such as clearing, grading, and filling; nor does it include the installation of streets and walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure. For a substantial improvement, the actual start of construction means the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building.

Violation - means the failure of a structure or other development to be fully compliant with the community's floodplain management regulations. A structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in 44 CFR §60.3(b)(5), (c)(4), (c)(10), (d)(3), (e)(2), (e)(4), or (e)(5) is presumed to be in violation until such time as that documentation is provided.

LOWEST FLOOR

The lowest floor of the lowest **fully** enclosed area (including basement). An unfinished, **flood resistant partially enclosed area, used solely for parking of vehicles, building access and incidental storage in an area other than a basement area is not considered the lowest floor of a building, provided that such space is not designed and built so that the structure is** or flood resistant enclosure usable solely for the parking of vehicles, building access or storage in an area other than a basement area is not considered a building's "lowest floor," provided that such enclosure is not built so as to render the structure in violation of the applicable nonelevation design requirements of this chapter.

MANUFACTURE HOME PARK

This term includes structures which have incurred "substantial

damage" regardless of the actual repair work performed. The term does not, however, include:

(1) Any project for improvement of a structure to correct existing violation of state or local health, sanitary, or safety code specifications which have been identified by the Code Enforcement Official and which are the minimum necessary to assure safe living conditions. ;er

WHEREAS, the Board of Commissioners (the "Board of Commissioners") of the Township of Haverford, Delaware County, Pennsylvania (the "Township"), proposes to incur nonelectoral debt pursuant to the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as codified by the Act of December 19, 2012 (Act No. 2012-177) and constituting Title 53, Part VII, Subpart B of the Pennsylvania Consolidated Statutes (the "Debt Act"), by the issuance of its general obligation bonds, the proceeds of which, together with the income from the

investment of such proceeds, will be used to pay the cost of certain capital projects of the Township and to refund the entire outstanding principal balance of the Township's General Obligation Notes, 2012 Series (the "Series of 2012 Notes"), and to pay costs and expenses incurred by the Township in connection with the issuance and sale of such bonds;

NOW, THEREFORE, BE IT ORDAINED AND ENACTED by the Board of Commissioners of the Township and it is hereby ordained and enacted by the authority of the same as follows:

Section 1. Incurrence of Nonelectoral Debt; the Bonds. The Township hereby determines to incur nonelectoral debt in accordance with the provisions of the Debt Act by the issuance of a series of its general obligation bonds in the aggregate principal amount of \$10,000,000, such bonds to be designated "Township of Haverford, Delaware County, Pennsylvania, General Obligation Bonds, Series of 2013" (the "Bonds").

Section 2. The Capital Projects and the Refunding Project.

The Bonds shall be issued for the purpose of financing the cost of certain "projects" within the meaning of the Debt Act, consisting of (a) certain capital projects generally described below (collectively, the "Capital Projects"), and (b) the refunding of the outstanding principal balance of the Series of 2012 Notes in the aggregate principal amount of \$5,000,000 (the "Refunding Project"). The proceeds of the Bonds, together with the income from the investment of such proceeds, will be used to pay the "costs" of the Capital Projects and the Refunding Project within the meaning of the Debt Act, including, without limitation, all costs and expenses incurred by the Township in connection with the issuance and sale of the Bonds.

(a) *The Capital Projects.* The estimated cost of the Capital Projects, exclusive of said issuance expenses, based on actual bids or professional estimates from professional architects and engineers and others qualified by experience, and the realistic estimated useful life of the Capital Projects, are as follows:

<u>Capital Project Description</u>	<u>Estimated Cost</u>	<u>Useful Life (Years)</u>
• Construction of Vehicle Maintenance Garage	\$1,175,000	40
• Construction of Municipal Services Building	\$3,425,000	40
• Storm Sewer Construction and Improvements	\$ 400,000	50

The Capital Projects (together with the Refunding Project) are combined for financing purposes as permitted under the Debt Act. The Township hereby reserves the right to undertake the Capital Projects in such order and at such time or times as it may determine in its discretion and to allocate the proceeds of the Bonds and other available moneys to the final costs of the Capital Projects in such amounts and order of priority as it may determine in its discretion, but the proceeds of the Bonds shall be used solely to pay the "costs" of the Capital Projects (including without limitation reimbursement to the Township for any of such costs paid with other

funds of the Township, for which this Ordinance shall serve as a declaration of intent so to reimburse) and the Refunding Project within the meaning of the Debt Act or, upon appropriate amendment to this Ordinance, to pay the costs of other capital projects for which the Township is authorized to incur indebtedness.

It is hereby determined and stated that, based upon the estimated useful lives of the Capital Projects set forth above, the Bonds are scheduled to mature in accordance with the limitations of Section 8142(a) of the Debt Act.

(b) *The Refunding Project.* It is hereby determined and set forth that the purpose of the Refunding Project is to substitute bonds for notes as permitted by Section 8241(b)(5) of the Debt Act and thereby retire interim variable rate financing with permanent fixed rate financing. It is further hereby determined and set forth that the remaining realistic estimated useful lives of the capital projects financed with the proceeds of the Series of 2012 Notes are in accordance with the estimated useful lives of such projects set forth in Section 1 of Ordinance No. 2667-2012 enacted by the Township on May 14, 2012 with respect to the Series of 2012 Notes (the "2012 Note Ordinance"), and that the Township is not extending the term of the Series 2012 Notes to a date that could not be included in the original issue.

Section 3. Appointment of Paying Agent and Sinking Fund Depository. TD Bank, N.A. is hereby appointed as paying agent for the Bonds (in such capacity, the "Paying Agent") and as sinking fund depository for the Bonds (in such capacity, the "Sinking Fund Depository"). The proper officers of the Township are hereby authorized and directed to enter into a paying agency or similar agreement (the "Paying Agency Agreement") with the Paying Agent and Sinking Fund Depository, which Paying Agency Agreement may also be for the benefit of the Bond Insurer (as hereinafter defined) and may contain such provisions relating to the Bonds as may be required by the Bond Insurer and which Paying Agency Agreement shall otherwise be in such form and contain such provisions, not inconsistent with this Ordinance, as shall be approved by the officer or officers of the Township executing the same, such approval and the approval of the Board of Commissioners to be conclusively evidenced by the execution of the Paying Agency Agreement by such officer or officers on behalf of the Township.

Section 4. Denominations; Rates of Interest; Dates; Numbers; Maturities. The Bonds shall be issued in fully registered form in the denomination of \$5,000 and integral multiples thereof; shall be initially dated the date of original issuance and delivery thereof and thereafter shall be dated the date of their authentication; shall bear interest at the rates set forth in the table below from the last interest payment date next preceding the date of authentication thereof to which interest has been paid or duly provided for unless (i) a Bond is authenticated as of an interest payment date to which interest has been paid or duly provided for, in which event such Bond shall bear interest from the date of authentication, or (ii) no interest on a Bond has been paid or duly provided for, in which event such Bond shall bear interest from the date of original issuance and delivery thereof; shall bear such serial numbers as the Paying Agent shall assign thereto according to the records of the Paying Agent; and shall mature on October 15 of the years and in the principal amounts as follows:

<u>Year of Maturity</u>	<u>Principal Amount</u>	<u>Rate of Interest</u>	<u>Year of Maturity</u>	<u>Principal Amount</u>	<u>Rate of Interest</u>
2015	\$220,000	2.000%	2026	\$ 285,000	3.250%

2018	235,000	2.000	2029	315,000	3.750
2019	240,000	2.000	2030	325,000	4.000
2020	245,000	2.250	2031	340,000	4.000
2021	250,000	2.500	2032	355,000	4.000
2022	255,000	2.750	2033	370,000	4.100

2025	275,000	3.125	2043	2,135,000	4.550

Interest on the Bonds shall be due and payable semi-annually on April 15 and October 15 of each year, commencing on April 15, 2014 (each such April 15 and October 15 being referred to herein as an "Interest Payment Date"), to the registered holders of the Bonds at the close of business on the first day (whether or not a business day) of the calendar month which includes such Interest Payment Date (the "Record Date"), irrespective of any transfer or exchange of the Bonds subsequent to such Bond Record Date and prior to such Interest Payment Date. Principal of the Bonds shall be paid at the designated office of the Paying Agent, or at the duly designated office of any duly appointed alternate or successor paying agent, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Interest on the Bonds shall be paid by check drawn upon any such paying agent and mailed to the registered holders of the Bonds entitled thereto at their addresses as they appear on the bond registration books of the Township maintained by the Paying Agent. Interest on each series of Bonds shall also be payable by wire transfer of funds to any registered holder of \$500,000 or more in aggregate principal amount of the Bonds of such series as of the close of business on the Record Date, provided that such holder submits to the Paying Agent not less than five days before the Record Date a written request therefor. In the event any such interest is not paid, such defaulted interest will be payable to the persons in whose names the Bonds are registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Paying Agent, such date to be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall cause notice of the proposed payment of such defaulted interest and the special record date therefor to be mailed, first class postage prepaid, to each registered holder of the Bonds, at such registered holder's address as it appears on the bond registration books of the Township, not less than 10 days prior to such special record date.

If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, and if the Township shall have deposited in escrow with the Paying Agent funds sufficient to pay the principal thereof and all interest due thereon to the date of maturity thereof, all liability of the Township to the registered holder thereof for the payment of the principal thereof and the interest thereon, as the case may be, shall forthwith cease, determine and be completely discharged, unless the Paying Agent shall, as permitted by law, thereafter pay the amounts so deposited with the Paying Agent to the Township or to such

officer, board or body as may then be entitled by law to receive the same, in which case the registered holder thereof shall thereafter look only to the Township or to such officer, board or body, as the case may be, for payment and then only to the extent of the amounts so received without interest thereon.

If the date for payment of the principal of or interest on any Bond shall be a Saturday, Sunday or day on which banking institutions in the Commonwealth of Pennsylvania are authorized by law to close, then the date for payment of such principal or interest shall be the next succeeding day which is not a Saturday, Sunday or a day on which such banking institutions are authorized by law to close, and payment on such date shall have the same force and effect as if made on the nominal date established for such payment.

Section 5. Redemption.

(a) *Optional Redemption.* Bonds maturing on or after October 15, 2019 are subject to redemption prior to maturity, at the option of the Township, either as a whole or in part, in such order of maturity as the Township shall determine and by lot within a maturity, at any time on or after October 15, 2018 in each case at a redemption price equal to 100% of the principal amount redeemed, together with accrued interest to the date fixed for redemption.

(b) *Mandatory Sinking Fund Redemption.* The Bonds maturing on October 15, 2039 and on October 15, 2043 (the "Term Bonds") are subject to mandatory redemption prior to maturity in part by lot in the principal amounts and on October 15 of the years shown below at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption:

Bonds Maturing on October 15, 2039

<u>Year</u>	<u>Amount</u>
2035	\$400,000
2036	420,000
2037	435,000
2038	455,000
2039*	475,000

*Maturity

Bonds Maturing on October 15, 2043

<u>Year</u>	<u>Amount</u>
2040	\$500,000
2041	520,000
2042	545,000
2043*	570,000

*Maturity

Not less than 30 nor more than 45 days prior to each October 15 on which the Term Bonds must be redeemed (each such October 15 being referred to herein as a "Mandatory Redemption Date"), the Paying Agent shall give notice of the redemption on such Mandatory Redemption Date of the principal amount of the Term Bonds of the relevant maturity to be redeemed, except that the amount to be redeemed shall be reduced by the principal amount of (a) any such Term Bonds of the relevant maturity which are surrendered to the Paying Agent by the Township before the September 1 immediately preceding the Mandatory Redemption Date for credit against such redemption and not previously so credited and (b) any such Term Bonds of the relevant maturity, the serial numbers of which shall be specified by the Township to the Paying Agent before such September 1, as to which the School District obtains for the Paying Agent before such September 1 the unconditional right to purchase on the Mandatory Redemption Date at a price not greater than the principal amount thereof plus accrued interest thereon to the Mandatory Redemption Date. On the Mandatory Redemption Date, the Paying Agent shall redeem the amount of the Term Bonds specified in the notice of redemption and purchase the Term Bonds covered by such rights to purchase.

(c) *Partial Redemptions.* If less than all Bonds of a maturity are to be redeemed, the particular Bonds of such maturity to be redeemed shall be selected by lot by the Paying Agent in such manner as the Paying Agent may determine. In the case of a Bond of a denomination greater than \$5,000, the Paying Agent shall treat each such Bond as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond by \$5,000.

(d) *Notice of Redemption.* When required or directed to redeem Bonds, the Paying Agent shall cause notice of the redemption to be given by first-class mail, postage prepaid, to all registered holders of Bonds to be redeemed at their registered addresses not less than 30 nor more than 45 days prior to the redemption date. Any such notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption date and the redemption price and shall state that on the redemption date the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and that from that date interest will cease to accrue on the Bonds or portions thereof to be redeemed. Failure to mail any notice or any defect in the mailed notice or in the mailing thereof shall not affect the validity of the proceedings for the redemption of Bonds with respect to which no such failure or defect occurred. The Paying Agent may use CUSIP numbers in notices of redemption as a convenience to holders of the Bonds, provided that such notices shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the serial or other identification numbers assigned by the Paying Agent and appearing on the Bonds.

If at the time of mailing of notice of any optional redemption the Township shall not have deposited with the Paying Agent moneys sufficient to redeem all Bonds called for such optional redemption, such notice may state that it is conditional in that it is subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date, and that such notice shall be of no effect unless such moneys are so deposited.

(e) *Surrender of Bonds; Payment of Redemption Price.* If unconditional notice of redemption has been duly given or duly waived by the holders of all Bonds called for redemption, or conditional notice of redemption has been so given or waived and the redemption moneys have been duly deposited with the Paying Agent, then in either case the Bonds (or portions thereof) called for redemption shall be payable on the redemption date at the applicable redemption price. Payment of the redemption price, together with accrued interest, shall be made by the Paying Agent to or upon the order of the holders of the Bonds called for redemption upon surrender of such Bonds at the designated corporate trust office of the Paying Agent.

Any Bond which is to be redeemed only in part shall be surrendered at the designated corporate trust office of the Paying Agent and (if so required by the Paying Agent) shall be accompanied by a written instrument of transfer, in form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the registered holder or by such holder's duly authorized attorney, and the Township shall execute and the Paying Agent shall authenticate and deliver to said registered holder, without service charge, a new Bond or Bonds of the same maturity and interest rate as the Bond being partially redeemed and of any authorized denomination as requested by said registered holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

Upon the payment of the redemption price of the Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with such check or other transfer of funds.

Section 6. Registration, Transfer and Exchange. The Township shall cause books for the registration and transfer of the Bonds to be kept at the designated office of the Paying Agent and hereby appoints the Paying Agent its registrar and transfer agent to keep such books and to make such registrations and transfers under such reasonable regulations as the Township or the Paying Agent may prescribe.

Upon surrender for transfer of any Bond at such office, the Township shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same series, maturity and interest rate of any authorized denomination for the aggregate principal amount which the registered holder is entitled to receive. No transfer of any Bond will be effective until entered on the bond registration books of the Township kept by the Paying Agent.

Bonds, upon surrender thereof at the designated office of the Paying Agent, may at the option of the registered holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate in any of the authorized denominations and registered in such name or names as may be requested.

All Bonds presented for transfer, exchange or payment (if so required by the Township or the Paying Agent) shall be accompanied by a written instrument or instruments of transfer, in form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the registered holder or such holder's duly authorized attorney.

No service charge shall be made for any exchange, transfer or registration of Bonds, but the Township may require payment of a sum sufficient to pay any tax or other governmental charge that may be imposed in relation thereto.

Neither the Township nor the Paying Agent shall be required to issue, transfer or exchange Bonds during a period beginning at the close of business on the fifteenth day next preceding any interest payment date for the Bonds or any date of selection of Bonds to be redeemed and ending at the close of business on such interest payment date or day on which the applicable notice of redemption is given, or to transfer or exchange any Bonds selected or called for redemption in whole or in part.

Section 7. Book-Entry-Only System.

(a) Notwithstanding the provisions of Section 6 of this Ordinance, the Bonds shall be initially issued in the form of one fully-registered bond for the aggregate principal amount of the Bonds of each maturity registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"), which shall act as securities depository for the Bonds. Except as provided in paragraph (f) below, all of the Bonds shall be registered in the Bond registration books in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds of the same series and maturity registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from the Township or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof, unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the Bond registration books in connection with discontinuing the book-entry system as provided in paragraph (f) below or otherwise.

(b) The Township shall execute and deliver to DTC a Letter of Representations (which may be a "Blanket" Letter of Representations) that covers the Bonds (the "Representation Letter"). So long as any Bonds are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds shall be made to DTC or its nominee in accordance with the Representation Letter on the dates provided for such payments under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Township or the Paying Agent with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(c) So long as any Bonds are registered in the name of DTC or any nominee thereof, the Township and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal

or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance or the Paying Agency Agreement, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Township nor the Paying Agent shall be affected by any notice to the contrary. Neither the Township nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Bond registration books as being a Bondholder, with respect to either: (i) the Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance or the Paying Agency Agreement, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds, and (vi) any consent given or other action taken by DTC as the holder of the Bonds.

(d) So long as any Bonds are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the holders of such Bonds under this Ordinance or the Paying Agency Agreement shall be given to DTC as provided in the Representation Letter.

(e) So long as any Bonds are registered in the name of DTC or any nominee thereof, in connection with any notice or other communication to be provided to Bondholders pursuant to this Ordinance or the Paying Agency Agreement by the Township or the Paying Agent with respect to any consent or other action to be taken by Bondholders, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the Township or the Paying Agent may establish a special record date for such consent or other action. The Township or the Paying Agent shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(f) The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either (i) after notice to the Township and the Paying Agent, DTC determines to resign as securities depository for the Bonds, or (ii) after notice to DTC and the Paying Agent, the Township determines that continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the Township or the beneficial owners of the Bonds. In either of such events (unless in the case described in clause (ii) above, the Township appoints a successor securities depository) and upon the surrender of the certificates originally issued to DTC or its nominee, the Bonds shall be delivered in registered certificated form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Township or the Paying Agent for the accuracy of such designation. Whenever DTC requests the Township and the Paying Agent to do so, the Township and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Section 8. Award of the Bonds. Having previously considered the sale of the Bonds at either a public or a private sale, the Township hereby determines, based upon the advice and recommendation of its financial advisor and all other available information, that a private sale of the Bonds is in the best financial interest of the Township and that the Bonds shall be sold at a private sale upon invitation. The Township hereby ratifies and approves the terms and provision of the Invitation to Bid pursuant to which the Township has solicited proposals for the purchase of the Bonds. In response to the Invitation to Bid, the Township has received proposals for the purchase of the Bonds. Contingent only upon timely receipt by the Township of the good faith deposit required under the terms of the Invitation to Bid, the bid (the "Purchase Proposal") submitted by Stifel, Nicolaus & Company, Incorporated (the "Purchaser") for the purchase of the Bonds is hereby accepted and the Bonds are hereby awarded to the Purchaser for the consideration specified in the Purchase Proposal, being the amount of \$9,900,480.30. The Township hereby determines that the Purchaser is the highest responsible bidder pursuant to the Invitation to Bid. The proper officers of the Township are hereby authorized and directed to endorse the acceptance of the Township on the Purchase Proposal and to deliver, or cause to be delivered, an executed counterpart thereof to the Purchaser. A copy of Purchase Proposal, together with a copy of the Invitation to Bid and the other Bond sale documents of the Township's financial advisor, shall be filed with the permanent records of the Township.

Section 9. Execution and Delivery of Bonds. The form of the Bonds and the Paying Agent's Certificate of Authentication shall be substantially in the form set forth in Section 20 hereof. The Bonds shall be executed by the manual or facsimile signature of the President or the Vice President of the Board of Commissioners and shall have the corporate seal of the Township affixed thereto, either manually or by facsimile, duly attested by the manual or facsimile signature of the Secretary or the Assistant Secretary of the Township and the said officers are hereby authorized to execute the Bonds as aforesaid. The Bonds shall be authenticated by the manual signature of an authorized officer of the Paying Agent, which shall also certify that the approving opinion of Bond Counsel, which shall be printed on or attached to the Bonds, is an accurate reproduction of the approving opinion delivered at the closing for the Bonds. The proper officers of the Township or any of them are further authorized and directed to deliver, or cause to be delivered, the Bonds to or upon the order of the Purchaser against receipt by or for the account of the Township of cash or its substantial equivalent in the amount of the consideration specified in the Bond Purchase Proposal.

Section 10. Covenant to Budget and Appropriate General Revenues to Pay Debt Service; Pledge of Full Faith, Credit and Taxing Power. The Township hereby covenants with the holders from time to time of the Bonds outstanding pursuant to this Ordinance that it shall include in its budget for each fiscal year, commencing with its fiscal year ending December 31, 2014, the amount of the debt service on the Bonds payable in each such fiscal year as specified in Exhibit A attached hereto and made a part hereof, the amounts stated therein being hereby incorporated in this covenant by reference, and shall appropriate such amounts from its general revenues to the payment of such debt service covenanted to be paid and shall duly and punctually pay or cause to be paid from the sinking fund for the Bonds hereinafter created the principal of every Bond and the interest thereon at the dates and places and in the manner stated therein, according to the true intent and meaning thereof; and for such budgeting, appropriation and payment, the Township does hereby pledge its full faith, credit and taxing power. This covenant shall be specifically enforceable.

Section 11. Establishment and Operation of Sinking Fund.

There is hereby established with the Sinking Fund Depository a sinking fund to be known as "Sinking Fund, Haverford Township General Obligation Bonds, Series of 2013" (the "Sinking Fund"), into which the Township covenants to deposit, and into which the Treasurer of the Township is hereby authorized and directed to deposit, all moneys for the payment of debt service on the Bonds included in the annual budget of the Township and appropriated to the payment of such debt service in accordance with Section 10 hereof, no later than the date when principal or interest on the Bonds shall become due, in amounts sufficient to pay the interest then due plus principal of the Bonds then maturing. Any moneys received by the Township as accrued interest on the Bonds upon the issuance thereof shall be deposited in the Sinking Fund in accordance with Section 18 hereof and shall be applied to pay interest due on the Bonds on April 15, 2014. All sums in the Sinking Fund shall be applied exclusively to the payment of the principal of and interest on the Bonds as the same shall from time to time become due and payable and the balance of said moneys over and above the sums so required shall remain in the Sinking Fund, subject, however, to withdrawal for investment by the Sinking Fund Depository at the direction of the Township in such investments as are authorized by law (subject to any restrictions on such investments as may be set forth in the Paying Agency Agreement or in the Tax Agreement hereinafter mentioned), which investments and the interest thereon and income therefrom shall be held exclusively for the purposes of the Sinking Fund. The Sinking Fund shall be kept and maintained in a separate account at the designated office of the Sinking Fund Depository until such time as the Township by resolution shall provide for a similar separate account in another bank or bank and trust company doing business in the Commonwealth of Pennsylvania. The Sinking Fund Depository, without further authorization than as herein contained, shall pay to the Paying Agent from the moneys in the Sinking Fund, the principal of and interest on the Bonds as and when the same shall become due, whereupon the Paying Agent shall, without further authorization than as herein contained, pay such amounts to the holders of the Bonds entitled thereto in the manner and upon the terms contained herein.

Section 12. Establishment and Operation of Construction Fund. In order to account for the receipt, investment and application of the proceeds of the Bonds to be used to pay the costs of the Capital, there is hereby created and established a special fund of the Township designated as "Construction Fund, Haverford Township General Obligation Bonds, Series of 2013" (the "Construction Fund"). The assets of the Construction Fund shall consist solely and exclusively of the proceeds of the sale of the Bonds and all earnings from the investment of such proceeds. The Township shall initially deposit or cause to be deposited in the Construction Fund the proceeds received from the issuance and sale of the Bonds, in the manner and to the extent provided in Section 18 hereof. Unless and until moneys in the Construction Fund are invested as hereinafter provided, such moneys shall be deposited in one or more accounts (which may or may not be interest-bearing, but which shall be separate and apart from all other accounts of the Township) with the Sinking Fund Depository or any other incorporated bank or trust company doing business in the Commonwealth of Pennsylvania which is authorized by law to accept deposits of public funds, which has a combined capital and surplus of not less than \$50,000,000 and the deposits in which are insured by Federal Deposit Insurance Corporation or by any other agency of the United States of America performing functions similar to Federal Deposit Insurance Corporation (provided such agency shall be in existence). The Sinking Fund Depository or such

other incorporated bank or trust company is herein referred to as an "Authorized Depository." Such account or accounts shall be deemed to be part of the Construction Fund for the purposes hereof.

The Township hereby covenants that, except as hereinafter provided, it will apply moneys in the Construction Fund to pay the cost of the Capital Projects (as the term "cost" is defined in the Debt Act and as the Capital Projects may be modified from time to time in accordance with the provisions of the Debt Act) and will use such moneys for no other purpose.

Subject to the Tax Agreement referred to in Section 25 hereof, and subject to any restrictions on investments contained in the Paying Agency Agreement, moneys on deposit to the credit of the Construction Fund not required for immediate application may be invested in any investments permitted by law. All investments made with moneys in the Construction Fund shall be deemed to be part of such Fund. The interest and income received from any investment and any losses incurred upon the sale or other disposition thereof shall be added or charged to the Construction Fund.

When the acquisition, construction and installation of the Capital Projects (as the same may be modified from time to time in accordance with the provisions of the Debt Act) shall have been completed, the balance of any moneys remaining in the Construction Fund in excess of any amount to be reserved for the payment of unpaid items of the cost of the Capital Projects shall be applied by the Township to the purchase of any of the outstanding Bonds at such prices and upon such terms and conditions as may be acceptable to the Township, and to the extent that the Township does not effect such purchases, such balance shall be deposited in the Sinking Fund. The Township shall instruct the Paying Agent to apply all of such balance so deposited in the Sinking Fund and the Sinking Fund Depository shall make funds available to the Paying Agent to (a) the purchase at any time of any then outstanding Bonds at such prices and upon such terms and conditions as shall be specified by the Township or (b) the earliest redemption of a portion of the Bonds prior to their maturities pursuant to the requirements of optional redemption as provided in Section 5 hereof and in the form of Bond set forth in Section 20 hereof, unless the Township shall have received an opinion of nationally recognized bond counsel permitting other uses of such moneys, in which event such moneys may be used for such other uses as may be so permitted.

Section 13. Establishment and Operation of Rebate Fund. In order to provide for the payment of any required rebate to the United States with respect to the Bonds pursuant to Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code") and the Treasury Regulations promulgated thereunder, there is hereby created and established a special fund of the Township designated as "Rebate Fund, Haverford Township General Obligation Bonds, Series of 2013 (the "Rebate Fund"). The Rebate Fund shall be funded, maintained and applied as required under the Tax Agreement referred to in Section 25 hereof.

Unless and until moneys in the Rebate Fund are invested as hereinafter provided, such moneys shall be deposited in one or more accounts (which may or may not be interest bearing, but which shall be separate and apart from all other accounts of the Township) with an Authorized Depository. Such account or accounts shall be deemed to be part of the Rebate Fund for the purposes hereof.

Subject to the Tax Agreement referred to in Section 25 hereof, moneys on deposit to the credit of the Rebate Fund not required for immediately application may be invested in any investments permitted by law. All investments made with moneys in the Rebate Fund shall be deemed to be part of such Fund. The interest and income received from any investment and any losses incurred upon the sale or other disposition thereof shall be added or charged to the Rebate Fund.

Any other provision of this Section 13 or in the Tax Agreement to the contrary notwithstanding, the Township may close the Rebate Fund if the Township shall have obtained an opinion of nationally recognized bond counsel to the effect that payments to the United States from the Rebate Fund are not required to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes under Section 103(a) of the Code and setting forth such counsel's advice with respect to the disposition of moneys held in the Rebate Fund, and thereupon, the Township shall withdraw all moneys from the Rebate Fund and apply the same in a manner not inconsistent with such opinion and this Section 13 shall be deemed to be deleted from this Ordinance.

Section 14. Redemption of 2012 Notes. In accordance with the 2012 Note Ordinance, and conditional upon the receipt by the Township of the proceeds of the Bonds, the Township hereby authorizes and directs the redemption on October 15, 2013, or on such other date as the President or Vice President of the Board of Commissioners may approve as the redemption date for the 2012 Notes (such redemption date being referred to herein as the "2012 Notes Redemption Date"), at a redemption price of 100% of the principal amount thereof plus unpaid interest accrued to the redemption date, of all of the 2012 Notes. The proper officers of the Township are hereby authorized to give or cause to be given notice of such redemption to the holders of the 2012 Notes at the time and in the manner required under the 2012 Note Ordinance.

Section 15. Escrow Deposit Agreement. If determined by the President or Vice President of the Board of Commissioners of the Township to be necessary or appropriate in order to implement the refunding and redemption of the 2012 Notes, the Township shall, upon the issuance and delivery of the Bonds, enter into an Escrow Deposit Agreement (the "Escrow Agreement") with an appropriate financial institution, as escrow agent (in such capacity, the "Escrow Agent"). The President or the Vice President of the Board of Commissioners is hereby authorized and directed, in the name and on behalf of the Township, to execute the Escrow Agreement in such form and containing such terms and provisions, not inconsistent with the provisions of this Ordinance, as may be approved by the officer executing the same, with such approval to be conclusively evidenced by such officer's execution thereof; the Secretary or the Assistant Secretary of the Township is hereby authorized and directed to affix the seal of the Township to the Escrow Agreement, when so executed, and to attest said seal; and the said officers of the Board of Commissioners are hereby authorized and directed to deliver the Escrow Agreement, when so executed and sealed, to the Escrow Agent.

Section 16. Federal Tax Covenants. The Township hereby covenants with the holders from time to time of the Bonds that it will comply with all requirements of the Code and the Treasury Regulations promulgated thereunder applicable to the Bonds in order to ensure that interest on the Bonds will be and remain excluded from the gross income of the holders thereof for federal income tax purposes under Section 103(a) of the Code. Without limiting the foregoing,

the Township hereby covenants that it will make no use of the proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Treasury Regulations promulgated thereunder, and that it will comply with the requirements of said Section of the Code, including without limitation, subsection (f) thereof, and said Treasury Regulations throughout the term of the Bonds. The foregoing covenants shall survive the payment in full of the Bonds.

The Township hereby designates each of the Bonds as a "qualified tax-exempt obligation," as that term is defined in Section 265(b)(3)(B) of the Code, for the purposes of Section 265(b)(3) of the Code.

Section 17. Filing with Pennsylvania Department of Community and Economic Development. The President or the Vice President of the Board of Commissioners and the Secretary or the Assistant Secretary of the Township, or any duly appointed successor or acting officers, as the case may be, are hereby authorized and directed to prepare, verify and file with the Pennsylvania Department of Community and Economic Development, in accordance with the Debt Act, a transcript of the proceedings relating to the issuance of the Bonds, including the Debt Statement required by Section 8110 of the Debt Act and a Borrowing Base Certificate, and to take other necessary action, including, if necessary or desirable, the preparation and filing of any statements, reports or documents required to exclude any portion of the debt of the Township from the appropriate debt limit as self-liquidating or subsidized debt.

Section 18. Deposit of Proceeds of Bonds into Settlement Account; Application of Moneys in Settlement Account. The Township shall cause the proceeds of the issuance and sale of the Bonds to be deposited immediately upon receipt into an account with the Paying Agent to be known as the "Settlement Account, Haverford Township General Obligation Bonds, Series of 2013" (the "Settlement Account"). From the moneys on deposit in the Settlement Account, the Paying Agent shall, in accordance with written instructions from the President or Vice President of the Board of Commissioners, (a) pay over to the Sinking Fund Depository for deposit to the credit of the Sinking Fund the amount, if any, of accrued interest on the Bonds paid by the Purchaser upon the original issuance and delivery of the Bonds, (b) pay (or reserve for the future payment of) the costs of issuance of the Bonds on behalf of the Township upon presentation of proper invoices therefor, (c) pay to the Escrow Agent, or directly to the holders (or a representative or agent of such holders) of the 2012 Notes, the amount necessary to redeem all of the 2012 Notes, and (d) transfer the balance of such proceeds to the Township for deposit to the credit of the Construction Fund. Any reserve in the Settlement Account for the future payment of costs of issuance of the Bonds shall be disbursed from time to time by the Paying Agent to pay such costs upon the written order of the President or Vice President of the Board of Commissioners and the presentation of proper invoices for such costs, and any balance of such reserve ultimately remaining in the Settlement Account after payment of all such costs of issuance shall, upon the written order of the President or Vice President of the Board of Commissioners, be paid over by the Paying Agent to the Township for deposit to the credit of the Construction Fund, whereupon the Settlement Account shall be closed.

Section 19. Covenant to Pledge Sufficient Funds to Refund the 2012 Notes. The Township hereby covenants and agrees that, concurrently with the issuance of and payment for the Bonds:

(a) the Township shall pay to the holder or holders of the 2012 Notes (or a representative or agent of such holders) the full amount of principal and interest necessary to redeem the 2012 Notes in whole; or

(b) the Township will have irrevocably deposited and pledged with the Escrow Agent under the Escrow Agreement an amount sufficient to provide for the payment in full when due of the principal of and interest on all of the outstanding 2012 Notes which have been called for redemption on the 2012 Notes Redemption Date pursuant to the authorization and direction contained in Section 14 hereof,

all to the end that the 2012 Notes shall no longer be deemed to be outstanding under the Debt Act upon and after giving effect to the issuance and sale of the Bonds.

Section 20. Form of Bonds. The Bonds shall be substantially in the following form with any appropriate omissions, insertions and variations:

Section 21. Approval of Official Statement. The Township hereby ratifies the preparation and use of the Preliminary Official Statement dated September 3, 2013 (the "Preliminary Official Statement") of the Township with respect to the Bonds. The Township hereby states that the Preliminary Official Statement is "deemed final" as of its date within the meaning of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"). A final official statement (the "Final Official Statement") of the Township with respect to the Bonds shall be prepared by or on behalf of the Township and delivered to the Purchaser within seven (7) business days from the date hereof, such Final Official Statement to be substantially in the form of the Preliminary Official Statement with such changes therein as shall be approved by the President or the Vice President of the Board of Commissioners. The President or the Vice President of the Board of Commissioners is hereby authorized and directed, in the name and on behalf of the Township, to execute the Final Official Statement, with such officer's approval thereof and the approval of the Board of Commissioners to be conclusively evidenced by such officer's execution thereof, and the Purchaser is hereby authorized to distribute and circulate the Final Official Statement to the public in connection with the public offering and sale of the Bonds. The Final Official Statement, incorporating such changes as the President or Vice President of the Board of Commissioners may have so approved, is hereby deemed to be a "final official statement", as of its date, within the meaning of Rule 15c2-12.

Section 22. Municipal Bond Insurance Policy; Certain Agreements with the Bond Insurer. The proper officers of the Township are hereby authorized to contract with a company providing municipal bond insurance (the "Bond Insurer") for the issuance of a municipal bond insurance policy (the "Bond Insurance Policy") insuring the payment when due of the principal of and interest on all or a portion of the Bonds as provided therein and to cause the premium thereon to be paid from the proceeds of the Bonds or other moneys of the Township available for such purpose. The proper officers of the Township or any of them are further authorized and directed, in the name and on behalf of the Township, to execute and deliver such documents, agreements and certificates and to take such other action as may be necessary or appropriate in order to induce the Bond Insurer to issue the Bond Insurance Policy.

To the extent that this Ordinance confers upon or gives or grants to the Bond Insurer any right, remedy or claim under or by reason of this Ordinance, the Bond

Insurer is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

Section 25. Additional Actions Authorized. The proper officers of the Township and each of them are hereby authorized to execute and deliver all such additional documents, instruments, certificates and agreements and to take such other action as may be necessary or appropriate in order to effectuate the issuance and sale of the Bonds in accordance with this Ordinance, including without limitation (a) a tax compliance or similar agreement (the "Tax Agreement") covering certain matters relevant to the exclusion of interest on the Bonds from the gross income of the holders thereof for federal income tax purposes and the rebate to the United States of certain excess earnings from the investment of the proceeds of the Bonds; (b) a continuing disclosure or similar agreement or certificate of the Township intended to assist the Purchaser in complying with the provisions of Rule 15c2-12(b)(5) of the Securities and Exchange Commission; (c) subscriptions for the purchase of United States Treasury Securities - State and Local Government Series, as necessary in order to provide for the proper investment of funds held under the Escrow Agreement; and (d) all such documents, instruments, certificates and agreements required by the Purchaser, Bond Counsel or the Bond Insurer as a condition precedent to the issuance of the Bonds.
