[BOND TEXT - BACK OF BOND]

This Bond is one of a duly authorized issue of General Obligation Bonds, Series of 1991, of the Township in the aggregate principal amount of \$2,200,000 (the "Bonds") issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof, all of like date and tenor, except as to dates of maturity, rates of interest and provisions for redemption, and all issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, Act 52 of 1978 approved April 28, 1978, as amended (the "Act"), and pursuant to an Ordinance of the Board of Commissioners of the Township duly enacted on December 3, 1991 (the "Ordinance"). The Bonds are issued for the purpose of providing funds for and towards the cost of various capital projects described in the Ordinance.

The Act provides that this Bond, its transfer and the income therefrom, including any profits made on the sale thereof, shall at all times be free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but this exemption

shall not extend to gift, estate, succession or inheritance taxes or to any other taxes not levied directly on this Bond, the transfer thereof, the income therefrom or the realization of profit on the sale thereof.

The Bonds maturing on and after \_\_\_\_\_ are subject to redemption prior to maturity at the option of the Township, as a whole or from time to time in part within a maturity by lot on \_\_\_\_\_ or on any date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

For the purpose of selection of Bonds for redemption, any Bond of a denomination greater than \$5,000 shall be treated as representing such number of separate Bonds, each of the denomination of \$5,000, as is obtained by dividing the actual principal amount of such Bond by \$5,000. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent, and the registered owner of such Bond shall receive, without service charge, a new Bond or Bonds of any authorized denomination as requested by such registered owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

Notice of any redemption shall be given by first-class mail, postage prepaid, mailed by the Paying Agent not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to each registered owner of Bonds at their addresses as they appear on the Bond register maintained by the Paying Agent. Such notice shall also be mailed to The Bond Buyer, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. Such notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the principal corporate trust office of the Paying Agent and that from the date of redemption interest will cease to accrue. The Paying Agent shall use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to Bond owners, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-"

printed on the Bonds. Failure to mail any notice of redemption, or any defect therein, or in the mailing thereof, with respect to any Bond shall not affect the validity of any proceeding for the redemption of other Bonds so called for redemption.

With respect to any optional redemption of the Bonds, if at the time of mailing such notice of redemption, the Township shall not have deposited with the Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The Bonds are transferable by the owners thereof, subject to payment of any required tax, fee or other governmental charge, upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent. The Paying Agent shall not be required: (i) to issue, transfer or exchange any of the Bonds during a period beginning at the close of business on the fifth (5th) day next preceding the day on which notice of redemption is to be given and ending at the close of business on the day on which such notice is given, or (ii) to transfer or exchange any Bond selected for redemption in whole or in part.

The Township and the Paying Agent may treat the person in whose name this Bond is registered on the bond register maintained by the Paying Agent as the absolute owner of this Bond for all purposes and neither the Township nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Bond, or for any claim based hereon, against any member, officer or employee, past, present or future, of the Township or of any successor body, as such, either directly or through the Township or through any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as a condition of and as consideration for the execution and issuance of this Bond.

The Township hereby designates the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

It is hereby certified that the approval of the Department of Community Affairs of the Commonwealth of Pennsylvania for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the Township, is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania; that the Township has established a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable; and that for the prompt and full payment of all obligations of this Bond, the full faith, credit and taxing power of the Township are hereby irrevocably pledged.

This Bond shall not be entitled to any benefit under the Ordinance or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the Paying Agent by execution of the certificate endorsed hereon.

[END OF BOND FORM]

8. Terms of Bonds. The Bonds shall be issued in fully registered form, in denominations of \$5,000 or integral multiples thereof, shall be dated December 1, 1991, shall bear interest from such date payable semiannually on \_\_\_\_\_ and \_\_\_\_\_ of each year commencing \_\_\_\_\_, 1992 (each, an "Interest Payment Date") until maturity or the date fixed for redemption, at the annual rates and shall mature on \_\_\_\_\_ of the years as set forth in the Bond Amortization Schedule attached hereto as Exhibit B and made a part hereof.

The principal of the Bonds shall be payable in lawful money of the United States of America upon presentment and surrender thereof at the principal corporate trust office of CoreStates Financial Corporation, Philadelphia, Pennsylvania which is hereby appointed paying agent, registrar and sinking fund depository (the "Paying Agent") for the Bonds. Interest on the Bonds will be paid on each Interest Payment Date by check or draft mailed to the persons in whose names the Bonds are registered at the address appearing thereon at the close of business on the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date.

9. Redemption of Bonds. The Bonds maturing on and after \_\_\_\_\_ shall be subject to redemption prior to maturity at the option of the Township, as a whole or from time to time in part within a maturity by lot on \_\_\_\_\_ or any date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

Notice of any redemption shall be given by first class mail, postage prepaid, mailed by the Paying Agent not less than thirty (30) days nor more than sixty (60) days before the redemption date to the registered owners of the Bonds at their addresses as they appear on the Bond register maintained by the Paying Agent. Such notice shall also be mailed to The Bond Buyer or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. Such notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the corporate trust office of the Paying Agent and that from the date of redemption interest will cease to accrue. The Paying Agent shall use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to Bond owners, provided that any such redemption notice shall state that no representation is made as to the

correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-" printed on the Bonds. Failure to mail any notice of redemption, or any defect therein, or in the mailing thereof, with respect to any Bond shall not affect the validity of any proceedings for redemption of other Bonds so called for redemption.

10. Sale of Bonds. The Bonds shall be sold at private sale by negotiation as hereinafter set forth in Section 13. After due consideration, the Board of Commissioners hereby finds and determines, on the basis of all the information available, that a private sale of the Bonds by negotiation is in the best financial interest of the Township.

11. Creation of and Deposits in Sinking Fund. The Township covenants that it shall hereafter maintain a sinking fund designated "Township of Haverford General Obligation Bonds, Series of 1991 Sinking Fund" (the "Sinking Fund") segregated from all other funds of the Township to be held by the Paying Agent (or such substitute or successor Paying Agent which shall hereafter be appointed in accordance with the provisions of the Act) in the name of the Township, but subject to withdrawal only by the Paying Agent.

The Township covenants and agrees to deposit in the Sinking Fund no later than \_\_\_\_\_ and \_\_\_\_\_ of each year beginning \_\_\_\_\_ amounts equal to the debt service payable on the Bonds on such dates as set forth in the Bond Amortization Schedule attached hereto as Exhibit B, or such greater or lesser amount as at the time shall be sufficient to pay the principal of and interest on the Bonds as they become due on each such date.

Pending application to the purpose for which the Sinking Fund is established, the President of the Board of Commissioners or the Secretary is hereby authorized and directed to cause the moneys therein to be invested or deposited and insured or secured as permitted and required by Section 1004 of the Act. All income received on such deposits or investments during each applicable period shall be added to the Sinking Fund and shall be credited against the deposit next required to be made in the Sinking Fund.

The Paying Agent is hereby authorized and directed to pay from the Sinking Fund the principal of and interest on the Bonds as the same become due and payable in accordance with the terms thereof and the Township hereby covenants that such moneys, to the extent required, will be applied to such purpose.

All moneys deposited in the Sinking Fund for the payment of the Bonds which have not been claimed by the registered owners thereof after two years from the date when payment is due, except where such moneys are held for the payment of outstanding checks, drafts or other instruments of the Paying Agent, shall be returned to the Township. Nothing contained herein shall relieve the Township of its liability to the registered owners of the unrepresented Bonds.

12. No Taxes Assumed. The Township shall not assume the payment of any tax or taxes in consideration of the purchase of the Bonds.

13. Award and Sale of Bonds. The Bonds are hereby awarded and sold at private sale by negotiation to A.H. Williams & Co. Incorporated, Philadelphia, Pennsylvania (the "Underwriter"), at a price of \$\_\_\_\_\_ in accordance with the other terms and conditions set forth in the proposal of the Underwriter dated December 3, 1991 which is hereby approved and accepted. A copy of said proposal shall be attached to this Ordinance and lodged with the official minutes of this meeting. The proper officers of this Township are hereby authorized and directed to endorse the acceptance of this Township on said contract and to deliver executed copies thereof to the purchaser.

14. Contract with Paying Agent. The proper officers of the Township are authorized to contract with the Paying Agent in connection with the performance of its duties as paying agent, registrar and sinking fund depository on usual and customary terms, including an agreement on the part of the Paying Agent to observe and comply with the provisions of this Ordinance and of the Act.

15. Application of Proceeds of the Bonds - Fees and Expenses. The proceeds of the Bonds shall be deposited with the Paying Agent or other depository. Upon receipt of such proceeds, the Township (or Paying Agent on behalf of the Township) shall pay the costs and expenses of issuing the Bonds, including the fees and expenses of the Solicitor, Bond Counsel and Paying Agent, printing costs, insurance premium, if any, and miscellaneous expenses, and the proper officers of the Township are hereby authorized to pay or cause to be paid such costs and expenses from the proceeds of the Bonds upon presentation of proper invoices therefor. The accrued interest paid by the purchasers of the Bonds shall be deposited in the Sinking Fund. The proceeds remaining in such account after payment of such expenses including any interest or investment earnings realized thereon, shall be transferred to an account of the Township for application to pay the costs of the Projects.

16. Federal Tax Covenants. The Township hereby covenants not to take or omit to take any action so as to cause interest on the Bonds to be no longer excluded from gross income for purposes of federal income taxation and to otherwise comply with the requirements of Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), and all applicable regulations promulgated with respect thereto, throughout the term of the Bonds. The Township further covenants that it will make no investments or other use of the proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" as defined in Section 148 of the Code. The Township further covenants to comply with the rebate requirements (including the prohibited payment provisions) contained in Section 148(f) of the Code and any regulations promulgated thereunder, to the extent applicable, and to pay any interest or penalty imposed by the United States for failure to comply with said rebate requirements, to the extent applicable.

The Township hereby represents and warrants, after due investigation and to the best of its knowledge, that: (i) the Township is a governmental unit with general taxing powers; (ii) the Bonds are not "private activity bonds" within the meaning of Section 141 of the Code; (iii) ninety-five percent (95%) or more of the net proceeds of the Bonds are to be used for local governmental activities of the Township; and (iv) the aggregate face amount of all tax-exempt obligations (other than "private activity bonds") issued or to be issued by the Township (and all "subordinate entities" thereof) during the 1991 calendar year including the Bonds, is not reasonably expected to exceed \$5,000,000. The Township hereby authorizes the proper officers of the Township to execute a certificate to that effect at the time of the closing.

The Township hereby further represents and warrants, after due investigation and to the best of its knowledge, that (i) the Bonds are not "private activity bonds" within the meaning of Section 141 of the Code and (ii) the aggregate face amount of "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code (which includes qualified 501(c)(3) bonds but not any other private activity bonds) issued or to be issued by the Township (and all "subordinate entities" thereof) during the 1991 calendar year, including the Bonds, is not reasonably expected to exceed \$10,000,000. The Township hereby designates the Bonds as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Code. As provided in Section 4, the Bonds shall be executed by the President or the Vice President of the Board of Commissioners of the Township and the Secretary or Assistant Secretary of the Township and each such execution shall be by manual or facsimile signature. The Bonds shall be authenticated by the manual signature of an authorized officer of the Paying Agent, which shall also certify that the approving opinion of Bond Counsel, which shall be printed on each Bond, is an accurate reproduction of the approving opinion delivered at the closing for the Bonds.

18. Officers Authorized to Act. For the purpose of expediting the closing and the issuance and delivery of the Bonds, or in the event that the President of the Board of Commissioners or the Secretary of the Township shall be absent or otherwise unavailable for the purpose of executing documents, or for the purpose of taking any other action which they or either of them may be authorized to take pursuant to this Ordinance, the Vice President of the Board of Commissioners or the Assistant Secretary of the Township, respectively, are hereby authorized and directed to execute documents, or otherwise to act on behalf of the Township in their stead.

19. Approval of Official Statement. The Preliminary Official Statement dated November 29, 1991, in the form presented to this meeting, is hereby approved and "deemed final" by the Township as of its date for purposes of United States Securities and Exchange Commission Rule 15c2-12. A Final Official Statement, substantially in the form of the Preliminary Official Statement and also containing the final terms of the Bonds, shall be prepared and delivered to the Underwriter within seven (7) business days from the date hereof, and the Township hereby approves the use thereof in connection with the public offering and sale of the Bonds.

20. Further Action. The proper officers of the Township are hereby authorized and directed to take all such action, execute, deliver, file and/or record all such documents, publish all notices and otherwise comply with the provisions of this Ordinance and the Act in the name and on behalf of the Township.

## SPECIFIC INSTRUCTIONS

### A. HOLDING A BUDGET HEARING

1. Since the termination of Federal Revenue Sharing (FRS), there exists no legal requirement to hold a public hearing once all FRS funds have been spent. As a matter of public policy, it is strongly recommended that such a hearing be advertised and held, either on the date the tentative budget is approved to be advertised, or at any other meeting prior to final adoption.
2. Until all remaining FRS funds have been expended, the requirements for public notice and public hearing remain in effect: At least ten days prior to the budget hearing, the local government must publish, in at least one newspaper of general circulation in the local government's geographic area, a notice of the hearing. The notice must include (a) date, time and place of hearing, (b) right of citizens attending the hearing to provide written or oral or both comments or questions or both regarding the entire budget and the relationship of revenue sharing to the entire budget, (c) the local government's proposed use of its revenue sharing funds in context with the entire budget, (d) a summary of the local government's entire proposed budget, (e) location where and time when the above information with a copy of the entire proposed budget is available for public inspection. A reasonable effort must be made to have senior citizens and their groups participate in the hearings.
3. Prior to enactment of the budget, the legislative body, or the appropriate committee thereof, conducts the budget hearing.
4. Within thirty days of adoption of the budget, a summary of the adopted budget showing the intended use of revenue sharing funds must be available for public inspection and notice of its availability must be published in a newspaper of general circulation in the local government's geographical area.

### B. CITIES OF THE THIRD CLASS

1. In commission cities, each department is required to submit to the council sometime before the last stated meeting in November an estimate of probable receipts and expenditures and the amount each department says it requires for the ensuing year. Mayors and city managers in optional charter cities must require department heads to submit requests not later than the month of November.
2. Budget preparation: In commission cities - assigned to the Director of Accounts and Finance; In Mayor/Council Plan A optional charter cities - to the mayor with the assistance of the administrator, if any, or other officer designated by the Mayor; and in Council/Manager optional charter cities - to the manager.
3. The budget must be submitted to the Council for first reading at the last stated meeting in November.
4. After the proposed budget has passed first reading, the city clerk makes it available for public inspection, publishes a notice to that effect in at least one newspaper of general circulation stating the date fixed by council for adoption of the proposed budget ordinance, such date being at least twenty days after publication. The proposed budget ordinance must be available for public inspection for at least ten days after this notice.
5. On or before December 31, the council must finally adopt the budget.

### C. BOROUGHES

1. The budget is prepared in any manner designated by council.
2. Boroughs must prepare the budget not less than thirty days before adoption.
3. Notice that the proposed budget is available for inspection must be published by the secretary in a newspaper of general circulation, as defined by the Newspaper Advertising Act of 1929, and the proposed budget must be kept on file with and be made available for public inspection by the secretary for a period of ten days after the notice and prior to adoption.
4. On or before December 31, the council must finally adopt the budget. Upon completion of the budget, the council shall adopt the real estate tax ordinance.

**D. TOWNSHIPS OF THE FIRST CLASS**

1. At least thirty days prior to adoption, the board of township commissioners must begin preparation of a proposed budget.

2. After preparation, the board gives public notice by advertising in a newspaper of general circulation that the proposed budget is available for public inspection in a designated place and the proposed budget must remain so available for twenty days after notice and before adoption.
