

Policy Information for the Little Explorers

First Day

- Please park your car and walk your child to the door for the first week of the program only.
- We ask that you send them with a small plastic cup and plate with their name on it. We will be using them for snack everyday, and we will keep these in the building for the duration of the program.
- Place an extra set of clothes in a ziploc bag with your child's name on it, we will store it in the building.
- Please bring your child's Information Sheet to Lauren

Arrival and Dismissal

- We will have a car line. For arrival, please pull your car around the circle to the driveway. A teacher will be there to greet your child, help them get out of the car, and walk them into the classroom. It would be helpful if you placed your child on the passenger side of the vehicle. For dismissal, we will provide you with a sign (with your child's name) to place in the front windshield. We will walk your child to the car, help them buckle up, and send you on your way.
- Please drive slowly in the circle
- If you need to pick up your child early, please park in the designated parking spots, not the circle, and walk to our classroom.

Allergy Alert

- Please be advised that if need be, we will notify parents of food restrictions for our lunch program.

Special Needs Policy

People of all abilities are welcome in our programs. With your help we will do all we can to meet your needs.

- You may send in a special snack for that day, but we must have one weeks prior notice.
